Mission

The CyberKnife® Coalition, Inc. (CKC) formed by CyberKnife® Centers, is dedicated to protecting patients' access to this technology by working to ensure accurate and adequate reimbursement through educational, payer, and government advocacy.

Agenda

The CyberKnife® Coalition is an independent clearinghouse for CyberKnife® Centers which leverages the expertise & experience of all centers to aid in resolving common issues:

- Building a Successful CyberKnife® Center
- Strategic Reimbursement Planning
- Payer Issues

Membership Benefits

CKC members have access to:

- Start-up documentation, forms, etc.
- Best practices
- Access to billing and reimbursement specialists
- Billing guide and billing formats updated annually
- Access to list serve to post questions for help from specialists and other centers

Membership Benefits

CKC members have access to:

- Contact information for CyberKnife[®] Centers
- Each new Center is assigned a senior administrator to help answer questions & guide them through the start-up
- Annual Users Meeting
